The background of the image is a dark, moody scene. A bright, ethereal light source, possibly a fire or a glowing orb, is positioned in the center-left, casting a long, soft glow across the scene. This light illuminates a path or a series of white, web-like structures that resemble coral or intricate biological forms. The overall color palette is dark, with shades of black, deep blue, and green, punctuated by the bright white of the web-like structures and the glowing light source.
